### **Initial Conditional Acceptance into the Program**

The list of applicants who pass the initial round of screening and are eligible to advance subjects in the intersession and 1<sup>st</sup> semester of SY 2021-2022 in preparation for JTA Spring 2022 will be announced in January 2021. Please note that the initial acceptance is conditional and dependent upon the student's completion of all pre-departure requirements as well as the maintenance of their good academic and disciplinary standing.

### **On the Possibility of Cancellation**

Please take note that the safety of our students is still our top priority, and as such, all student mobility programs are contingent on the international public health situation. Given this, the deployment of students abroad is subject to both government and university policies issued in response to the developing situation. While the school will make its best effort to quickly assess whether or not the program can push through, the school cannot guarantee that the program will definitely push through, and the program may be suspended at any time if deemed necessary. This is in reference to the Sept. 25, 2020 memorandum from the Office of the Vice President for University and Global Relations (a link to the memo is provided in the Consent of Parent or Guardian form).

For any questions or concerns, please feel free to send an email to [outbound.soss@ateneo.edu](mailto:outbound.soss@ateneo.edu).

Thank you very much and stay safe.
